From the Principal

Kia Ora, Talofa Lava, Welcome.

Although we are currently in Term 3 I am now considering classes for next year. Please let us know if you have any requests for your child.

I cannot guarantee I can meet everyone's requests but we do our best where possible. I am specifically interested in combinations of children that you know may adversely affect your child's learning.

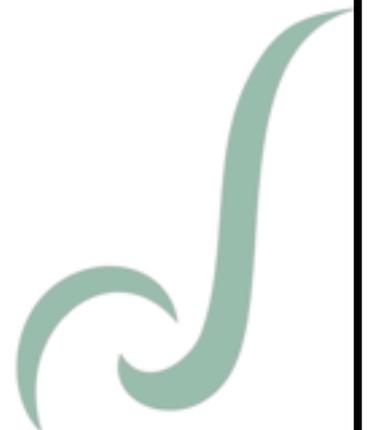

Also, please let us know if you have a child starting here next year. This is particularly helpful when organising the Junior classes.

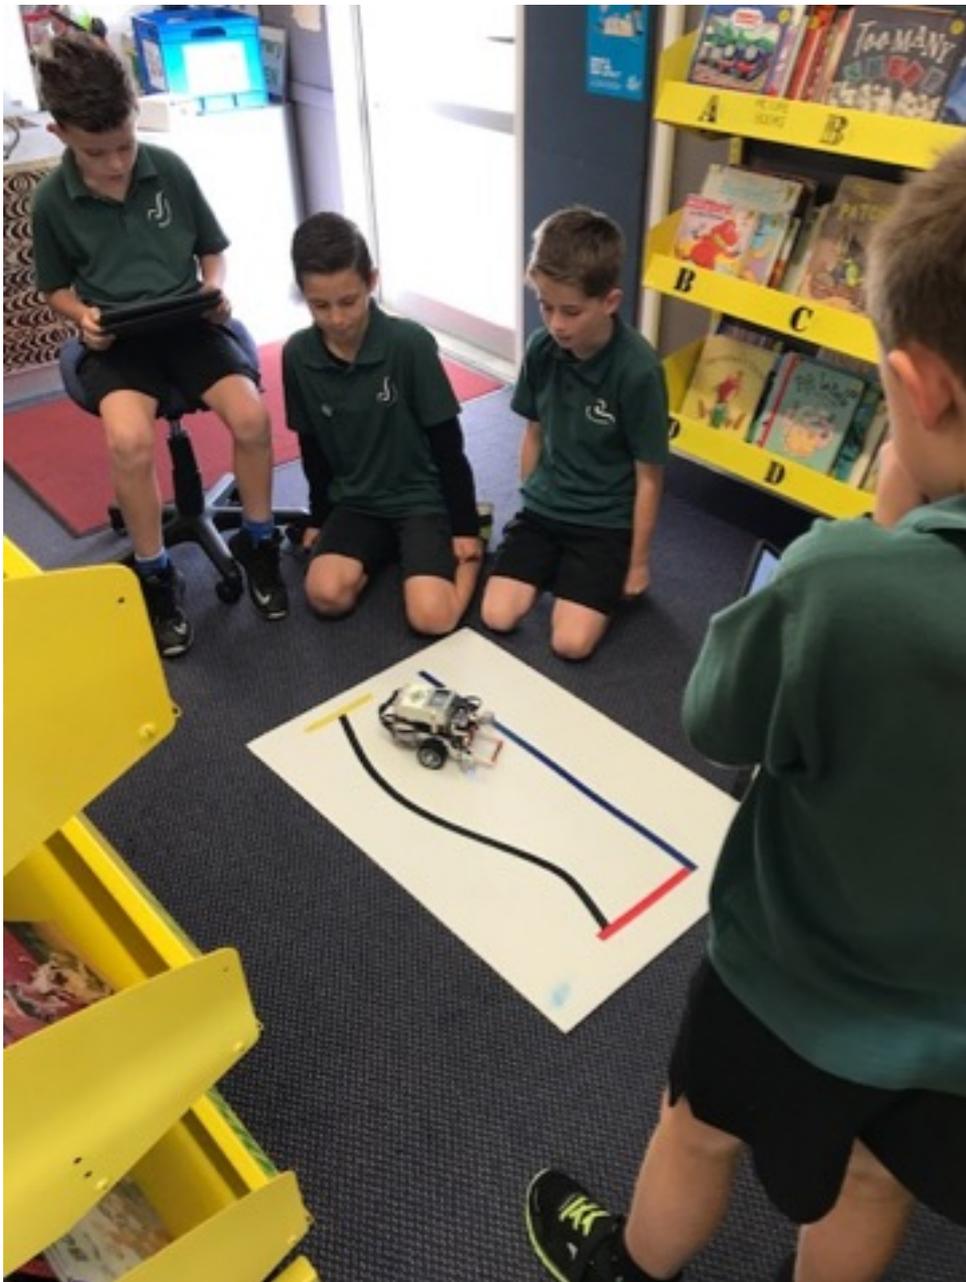

We have the amazing PTA Disco tomorrow night. I know the new organisation is a bit different so we will see how it goes this time.

Next Thursday we have a school-wide learning Exhibition where the School will be open from 3pm to 7pm. I hope you can make the time to come and see the wonderful learning that the children are engaging in not only in your own child's class but in the entire school.

There has been so much sickness in Christchurch not only with the children but also the staff. We have had times when we cannot find relievers to take classes. I know some smaller schools have had to close classes as a result. Thank you for your patience as we do our best to manage these difficult situations.

Regards
Scot Kinley
