

Bromley School

Week 3 Term 1 2018

Kia Ora Talofa Lava Welcome

Newsletters usually come out once a fortnight but there is so much on the go at the start of the year that we thought an extra newsletter would be beneficial. A huge thanks to all those amazing parents who helped us out over the last three days at South Brighton Beach Education lessons. This event could not have happened if it wasn't for your support, and in most cases a willingness to actually get in the sea with the children.

Teaching children about the sea and experiencing its beauty whilst respecting its power is critical, especially as we live so close to the water here.

The time at the Beach was made so much more relevant with the incredibly sad passing of Jack Sutton in the water at Sumner last week. Some of our children knew Jack, although he didn't attend Bromley School, he has attended some of our school holiday programmes. Our thoughts and prayers are with the family at this very sad time.

I trust that the year has started positively for you and your child. Please don't hesitate to talk to the teachers if you have any questions about your child's learning.

Currently the staff and Board of Trustees are reviewing our school's vision. Over the next month I will be sending out some information and opportunities for you to have some input into this. Please keep a look out for this.

Also, a heads up about our amazing breakfast programmes. Arise still run the Thursday Breakfast Club in the old Room 10 starting at 8 am but we are also excited to let you know that the local organisation, Te Mapua, has generously offered to run a Breakfast Club out of the same room every Monday and Friday from 8.15 am. Sheryl will still be running breakfast on a Tuesday morning at 8:15am by the Fruit Shed.

Regards

Scot Kinley

Free Dental Care for Children -
including special information regarding Year 8 students

One of our Community Dental Service preventive mobiles will be visiting your school soon.

- We will be aiming to see that all school age children enrolled with the Community Dental Service have their dental check-up in the dental mobile while it is there
- **Year 8 students:** all year 8 students enrolled with the Community Dental Service are transferred from the Community Dental Service to a FREE private dentist from year 9 until their 18th birthday. To help with this transition please ensure you have informed your child of their family dentist (not orthodontist). This will enable us to transfer your child onto the correct dentist for year 9 onwards. More information will be sent home after their year 8 check-up.
- To do this we will be asking the school to provide your child's name, address and your contact information.
- The dental therapist will not only be checking the children's teeth but will also Xray, clean, and apply protective treatments fluoride and or Fissure sealants (coating put on teeth to prevent decay) if required
- If your child requires further dental care such as fillings they will bring home a 'Care Plan' which will explain what dental care and appointment times are required
- When you receive the 'Care Plan' please contact our **Call Centre as soon as possible** as you will need to arrange a time to bring your child to one of our Community Clinics for this dental care
- **Please let us know ASAP if you do not wish your child to have any of this care, you can talk to the staff in the mobile or phone/email our Call Centre**
- If you wish to be present at your child's check up this will need to take place at our community clinic so please phone/email our **Call Centre** to make an appointment
- Please contact our Call Centre if you want further information on the Community Dental Service, to enrol your child or if you have any specific questions about your child's dental care (a dental therapist will call you back)
