BROMLEY SCHOOL NEWSLETTER

Kia Ora Talofa Welcome

Term 3 signals the beginning of Bromley Schools first ever Enrolment Scheme (Zone). Effectively the zone simply means that if you are not living in the mapped area for the school then your children (unless they are already here) will not be able to attend Bromley.

For those of you who are already here, but live out of zone, your younger children will still be able to attend Bromley through the ballot system. If you would like to discuss this further please make a time to see me.

One of the many great things about our school is our work with technology. It is with much pride for our staff and children that we were awarded, over the recent holidays, the title of Apple Distinguished School.

This prestigious award acknowledges the wonderful learning programmes that occur here and the innovative approach to teaching and learning in the classrooms. Being an Apple Distinguished School (ADS) gains us access to many levels of support and professional development for our teachers to help them continue to challenge our children's learning and provide an environment to stimulate creativity and digital excellence.

There is much to celebrate and be excited for and I am looking forward to seeing the outcomes for students over the remainder of this year.

Regards
Scot Kinley

SCHOOL PHOTOS THURSDAY 27th JULY

JUST A REMINDER THAT OUR SCHOOL PHOTOS WILL BE TAKEN ON Thursday 27th JULY

Please could you ensure your child is in clean school uniform so they look their best in their school photograph.

NEW Social Worker for Bromley School

My name is Mark Gunther and I am the new Social Worker in Schools(replacing Jesse Nelson) I started this role in Term 3 July 2017 For the past 5 years I have been a Community Social Worker at Stand Childrens Services, working predominantly with families in the eastern Suburbs. In my spare time I enjoy watching most sports and spending time with my teenage daughter. I am really excited to start getting to know the children, caregivers and teachers at Bromley and becoming part of the school community. If you see me around school feel free to come and say hello.
